

# *your successful* **CALL CENTER SOLUTION.**

World Insurance Association, Inc. is proud to provide a complete Allstate products enrollment call center solution that focuses on in- and out-bound calls for maximum results. Having access to several enrollment methods can make the difference between an average enrollment and a **successful employer benefits solution.**

**As an approved Allstate call center solution, we are able to provide:**

- **Increased production credit**
- **Voice recorded applications facilitate fast processing**
- **e-Signature, PIN and voice-stamp capabilities for immediate enrollment**
- **Web assisted enrollment available**
- **e-Marketing solutions for increased penetration**
- **Private conference and webinar group presentation formats**
- **Knowledgeable benefit counselors available to assist with questions**
- **Customized marketing materials**
- **Customized website provided for each employer containing Allstate compliance approved brochures and marketing.**
- **Additional customization capabilities for groups ranging from 200 - 20,000**
- **Convenient for off site employees**

Licensed in all 50 states and territories, it is easy to see why agents choose World Insurance Association's Enrollment Solutions.
